OR SUCCESS MAGAZINE	1.00
THE COLLECTOR AND ART CRITIC	1.00
REGULAR PRICE	<u>\$5.00</u>

**OUR PRICE  
ONLY  
\$3.00**

The time for subscribing to only one periodical is past. In every home where good reading is appreciated, there is the family group of periodicals—something for the man, something for the young people, something for the mother. These three magazines fill the bill completely. You will want them anyhow, so why not get them with The Collector and Art Critic, saving 40 per cent as well as the trouble of corresponding with three publishers? Six million of the best people in America have found these three great magazines—the Review of Reviews, Woman's Home Companion and Success—a joy and help and inspiration. We are glad to be able to offer them in one great combination with The Collector and Art Critic.

If for any reason you do not want all the magazines for yourself, send them to your friends. No more acceptable Christmas presents could be thought of.

### Review of Reviews

The more magazines there are the more necessary is the REVIEW OF REVIEWS, because it brings together the best that is in all the most important monthlies in the world. Such is the flood of periodical literature that nowadays people say the only way to keep up with it is to read the REVIEW OF REVIEWS. Entirely over and above this reviewing section, it has more original matter and illustrations than most magazines, and the most timely and important articles printed in any monthly. The REVIEW OF REVIEWS covers five continents, and yet is American first and foremost.

### Woman's Home Companion

has the largest subscription list of any ten cent magazine—three million people read this one magazine every month. Besides the helpful, intimate things that women want to know, there are delightful stories and articles by Kate Douglass Wiggin, Elizabeth Stuart Phelps, Jack London and Mary E. Wilkins Freeman; inspiring editorials by Dr. Edward Everett Hale; Miss Gould's fashion pages, her dressmaking lesson and her free shopping service; Miss Farmer's cooking department; the children's own pages. In all twelve useful departments, something for all the family and for the woman—everything.

### Success Magazine

enters upon its tenth year with an editorial plan and policy differing from that of any other existing periodical. It aims to be the one indispensable magazine in the home—"The Great Home Magazine of America." While still retaining as a foundation principle the idea of Inspiration and Uplift, it has broadened into a far wider field—The Work of the World. In the lighter and more entertaining Serial and Short Stories, and in its Special Departments, it will present the best work of the most brilliant writers of the day. The art covers of Success Magazine are fine reproductions of paintings.

**REMEMBER**—the three great magazines above cost \$5.00 if bought separately. We offer all three to you for a limited time only for \$3.00. Send in your order to-day. Do it now! This offer will be withdrawn.
